## DESCRIPTION

---

The Norvik wastebasket offers a flawless blend of contemporary flair and sleek design elements. It seamlessly integrates into any modernist setting, enhancing its distinctiveness. Constructed from top-notch satin-finished stainless steel, the Norvik wastebasket is built to withstand the rigors of continuous outdoor exposure. Featuring a straightforward, modern silhouette, Norvik maintains a timeless appeal. This wastebasket is noted for its easy operation and substantial internal capacity of 45 liters. It is securely mounted to the ground using anchoring pins, ensuring exceptional stability and durability. The Norvik stainless steel wastebasket represents the cutting edge of urban furniture design.
